History

Prior to the Conjunction, what is today known as Núchtetl and the wider Nayar used to be inhabited by the Vrans.

Following the Conjunction, Nayar saw influx of subsequent human groups from different directions. About 14 centuries after the Conjunction (late 12th century to early 13th of the Nordling and Nilfgaardian calendar), the tribe known as the Núchtetlaca expanded from its homelands in the northernmost Nayar and southern reaches of the Tawal Desert, and conquered a sizable territory, founding the Kingdom of Núchtetl.

Trivia

- Núchtetl was envisioned by Witcher190 and Smiki64, with minor contributions by Dark and sMiki73.
